

# Product Change Notification

## Synrad 48-1 Water-Cooled Laser Kits

**Notification Date:** 19 Sept 2023  
**Change Notice #:** 005-2023 Rev A  
**Affected Products:** 48-1 Water-Cooled Lasers  
**ECN#:** 011547  
**Description:** 48-1 Water Fittings Change  
**Implementation Date:** October 2023

As part of our commitment to continuous improvement, the Synrad team is changing the fittings in the water-cooling kits of the 48-1 Series lasers. The kits currently include Pisco pneumatic fittings. In the future, the kits will include John Guest fittings.
